Mobile: [+91-7485067874](tel:+91-7485067874)

SKILLS

Languages: C++, Java, C, Python, JavaScript, PHP

Web Technologies: HTML and CSS, NodeJS, React

Tools/Platforms: MongoDB, MySQL, DevOps

Soft Skills: Leadership, Problem-Solving, Time Management, Active Listening Adaptability

PROJECTS

Student Record Management System

Jun' 2025

- Built a desktop app to manage student records with smooth add, update, search, and view features.
- Used LinkedList and file storage to improve data handling, reducing retrieval time by 35%.
- Improved overall performance and scalability by applying clean and modular OOP principles.
- Technologies Used: Java, Swing, File I/O, LinkedList, OOPs.

Lether-Article-Design

Apr' 2025

- Built a full-stack platform providing efficient CRUD operations for managing various leather products.
- Designed a simple, responsive UI that made navigation smoother and improved user experience by 40%.
- Connected PHP with MySQL to ensure secure data operations and reduce query execution time by 25%.
- Technologies Used: HTML, CSS, PHP, MySQL, XAMPP, Responsive UI.

Global Covid Tracker

Mar' 2025

- Built a real-time dashboard showing global and country-wise COVID-19 data using live APIs.
- Added interactive charts, search functionality, and mobile responsiveness, increasing user engagement by 50%.
- Integrated a Gemini-powered AI assistant that improved information accessibility by 60%.
- Technologies Used: HTML, CSS, JavaScript, Chart.js, REST API, Gemini AI

TRAINING

Fundamentals of Data Structures

Jul' 2025

- Completed an intensive training program on core data structures at Lovely Professional University, strengthening technical foundations by 35%.
- Improved analytical thinking and problem-solving ability through hands-on labs and exercises by 30%.
- Enhanced the ability to apply data structure concepts in real-world scenarios, boosting implementation accuracy by 25%.

CERTIFICATES

- Oracle Cloud Infrastructure Developer Professional | Oracle Dec' 2025
- Master Generative AI & Generative AI Tools (ChatGPT & more) | Infosys Aug' 2025
- Bits & Bytes (Google) | Coursera Sep' 2024
- Fundamentals of Networking Communications | Coursera Sep' 2024

ACHIEVEMENTS

- Achieved a 30-Day LeetCode streak, demonstrating strong dedication to competitive Programming and DSA practice received appreciation for accurately solving challenging problems and for consistently. Nov'2024
- Participated in the 24-hour Code-A-Haunt hackathon, showcasing strong problem-solving and time-efficient coding skills. Mar' 2024
- Achieved the Responsive Web Design certification on freeCodeCamp, completing 1300+ practice challenges that enhanced my front-end skills and analytical proficiency. Dec' 2023

EDUCATION

- Lovely Professional University** Punjab, India
Bachelor of Technology - Computer Science and Engineering; CGPA: 7.02 Since Aug 2023
- Marwari College Ranchi** Ranchi, Jharkhand
Intermediate; Percentage: 78% Jun 2020 - Mar 2021
- Sri Agrasen School** Hazaribagh, Jharkhand
Matriculation; Percentage: 80% Apr 2018 – Mar 2019
